Samsung introduces a smaller laser multifunction printer with greater convenience, the SCX-3200/3205. With its ultra compact elegant design, there's space for this little beauty anywhere. Clever built-in features like One Touch printing make the SCX-3200/3205 smart, as well as easy to look at. The SCX-3200/3205's low noise level, rapid print speed, and easy power button assure maximum convenience. With the Samsung SCX-3200/3205 printer, sometimes the best things in life do come in the small packages.

From the monitor to the page with just one touch

The SCX-3200/3205's Print Screen button – conveniently located on the printer control panel – lets you print the contents from your screen, quickly and easily. Just one touch is all that it takes. With one click, there's no more extra editing or cropping of unwanted content-clutter from original webpages or documents.

A one-touch eco print button that is convenient and earth-conscious

Located conveniently on the front of the printer panel, the Eco-Copy Feature makes it easy to help the environment. Select 2up toner save mode and watch – SCX-3200/3205 combine multiple pages into a single print out, saving time, paper, toner, money, and even the environment.

Big features, small footprint

The ultra compact Samsung SCX-3200/3205 easily fits on any desktop leaving plenty of room for you to get your work done. You'll also really enjoy the convenient power switch located on the front panel for fast and easy access. How's that for accommodating design?

It multi-tasks so you don't have to

Productivity is key to running any office or professional workgroup. And the versatile SCX-3200/3205 was designed to deliver exactly that. Now you can print, copy, and scan with unparalleled convenience, ease and speed.
