L810
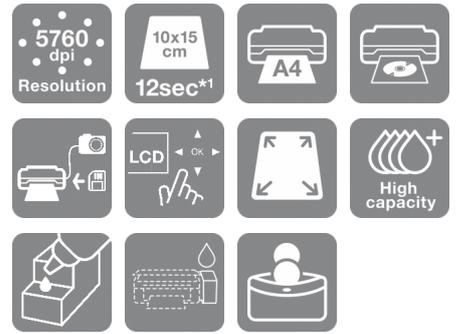

This A4 ITS photo printer easily prints Epson-quality and low-cost photos from memory cards or directly from cameras using PictBridge. Ideal for photographers using these printers at events or in a studio, the L810 delivers reliable and high-quality photo printing together with more advanced functions such as an LCD display and CD/DVD printing.

Ultra-low-cost photo printing
The L810 offers affordable printing and a low cost per print. Each set of ink bottles can print up to 1800 15x10cm photos[1], delivering an ultra-low cost per photo.

Easy to use and reliable
Increase productivity and reduce downtime with hassle-free set up and reliable printing. The purpose-built ink tank is fully integrated into the printer, so you can enjoy reliable colour printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems. Epson-genuine ink bottles make it easy to refill the ink tank with their clear labelling and drip-free nozzle. The L810 has 70ml ink tanks and comes with a 12 month (or 3,000 page) warranty, providing peace of mind and help should you need it. The 6.9cm LCD screen allows for easy and convenient printing without a PC.

Epson-quality printing
The L810 utilises genuine Epson ink and Epson's Micro Piezo technology to produce consistent-quality prints. Fast photo print speeds of approximately 12 seconds per 10x15cm photo[2] ensure that you won't be waiting around for print jobs.

KEY FEATURES

- **Epson Quality**
  Purpose-built, refillable ink tank
- **Peace of mind**
  Covered by Epson's warranty
- **PC-less printing**
  Use the LCD screen to print from memory cards and cameras
- **Value for money**
  Ultra-low-cost per print
- **User-friendly**
  Hassle-free with simple set-up
